

Name _____

Date _____

Help Frog to hop onto the sets of seven or number 7. Try this with the example on the dotted line

A frog is sitting on a circle containing the number 7. A dotted line shows the frog hopping to a circle containing 7, then to a circle containing 6, and finally to a circle containing 7.

A frog is sitting on a circle containing 8 dots. Below it are seven circles with numbers: 8, 7, 7, 7, 7, 7, 6.

A frog is sitting on a circle containing the number 7. Below it are seven circles with numbers: 7, 7 dots, 7, 6, 7 dots, 7, 6 dots.
