

Trace the track of Frog. Write down the numbers on all the places where Frog landed.

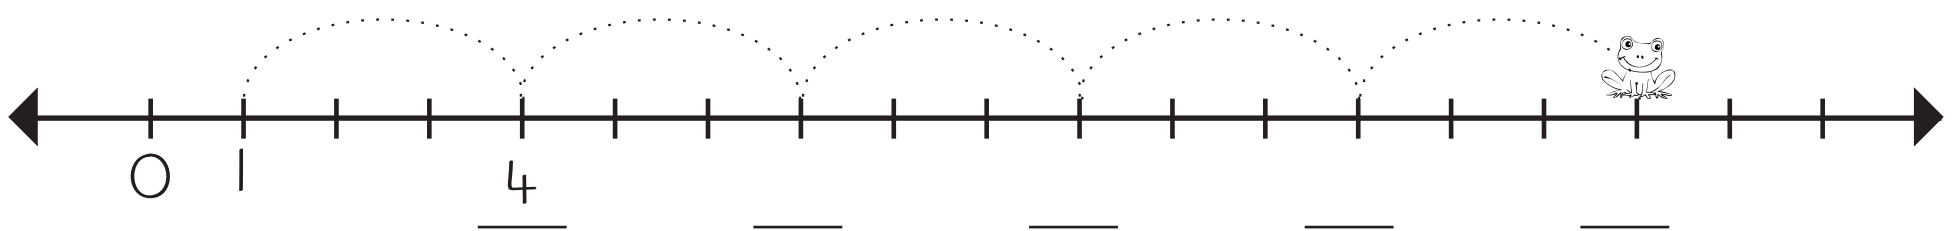

A horizontal number line with arrows at both ends. It has 15 tick marks. Below the line, the numbers 0, 2, and 4 are written under the first, third, and fifth tick marks respectively. There are seven dotted arches representing frog jumps, each starting from a tick mark and ending at the next. A frog is sitting on the 15th tick mark.

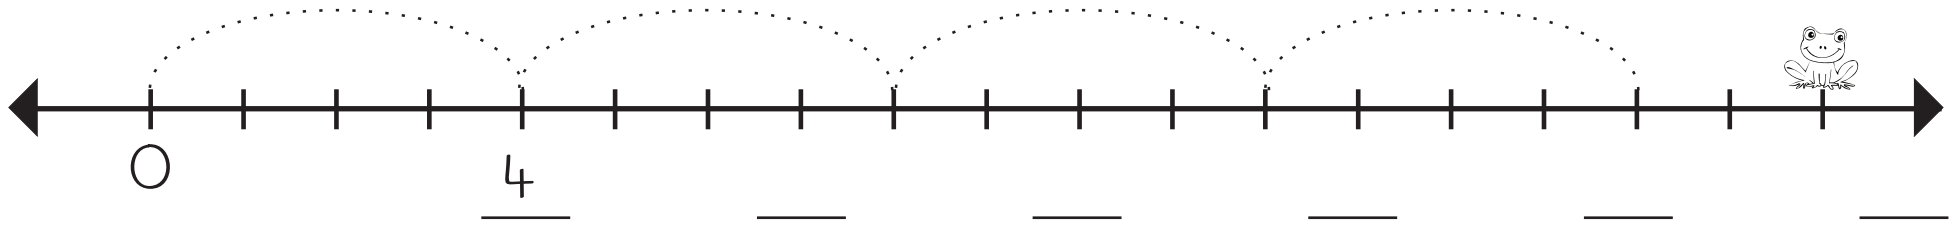

A horizontal number line with arrows at both ends. It has 15 tick marks. Below the line, the numbers 0, 1, and 3 are written under the first, second, and fourth tick marks respectively. There are six dotted arches representing frog jumps, each starting from a tick mark and ending at the next. A frog is sitting on the 14th tick mark.
