Number 5 Practice Sheet.

Practice by tracing along the broken lines with a bold color pencil

The image shows a handwriting practice sheet for the number 5. It consists of six rows of horizontal lines. The first row begins with a solid number 5, which is annotated with three numbered arrows indicating the correct stroke order: 1 (a vertical line starting from the top and going down), 2 (a curved line starting from the top of the vertical line, curving to the right and then down), and 3 (a horizontal line starting from the top of the curve and going to the right). Following this solid example are seven dashed number 5s for tracing. The second, third, fourth, fifth, and sixth rows each contain eight dashed number 5s for tracing, providing ample practice for the student.
